Dear Sir/Madam

Thank you for your letter of the 27<sup>th</sup> October, I have looked at the planning application for 52 dwellings at Slade Farm Ottery-st Mary. I feel this is another planning application to swamp Ottery with housing and gridlock Ottery with vehicles and then no one will want to live in Ottery. There are a number of things to be taken into consideration.

- ① Vehicles two per house hold.
- ② Schools are already full.
- ③ Doctors full.
- ④ Water and drainage already to max this effects my water quality too.
- ⑤ Road infrastructure to and from site road to narrow for people and vehicles and no foot paths or lighting.

I feel that the planning office should look at brown field sites and not green for affordable dwellings and there are some of these in Ottery.

You have reached your dwellings target for Ottery-st-Mary so no more planning application should be considered  
Yours Faithfull ~~XXXXXXXXXX~~
